# Registering on the Patient Portal

To register on the patient portal from the email from [noreply@patientportal.net](mailto:noreply@patientportal.net)

To register your child(ren) on the new portal please follow these instructions using the set up email you received. *\*If you have more than one child, please be sure to follow step # 5 below.*

**1**

From the setup email, click the Patient Portal URL. This is patient specific and will allow you to receive their PIN.

**2**

Enter your (the parent/guardian's) information. You'll enter your child's information in step 4.

**3**

Select the checkbox to accept the Terms & Conditions, and click Continue.

**4**

Complete the information for the patient whose PIN you entered was sent to you from this link.

*TIP: This is when you will refer back to the remaining email (s) to request PIN(s) for each additional child(ren).*

**5**

Optional: If you received emails for additional children, click *I'd like to add another child*, and enter the PIN and information for the next child. Repeat this step until all children have been added.

**6**

Click Create My Account.
